

# e-Learning iXRBL for Accounts Production (VAP):

## Course Contents

Information

Fee Protection

Software

Magazines

Professional Development

On-line filling of company accounts in iXBRL format is to be mandatory for accounts submitted with Corporation Tax Returns from 1<sup>st</sup> April 2011.

This course will help you review, apply, edit and delete tags in CCH Accounts Production (VAP).

You will also be able to produce reports and understand dimensions to differentiate between tags.
